SHINE AS STARS

Keren Matriculation Higher Secondary School was started in 1985 to provide quality education, impart moral values and instill discipline among the children.

The school was upgraded every year and got recognised by the Matriculation Board of Tamilnadu Government in the year 1988. The first batch of students for X standard exam was sent in 1995 and produced centum result.

At present, Keren schools function with 3700 students and 150 staff in a premise with needed infrastructure. The school is located on the Theni main road, just 4 km away from Madurai Kamaraj University.

Motto : "Shine as Stars"

Vision

We are connected and committed to achieve holistic development in each student by providing them quality education, liberating them from all ignorance, instilling in them excellence in character and thereby transforming them into fruitful citizens before men and God.

Laboratories

Our school has 5 spacious separate laboratories for Physics, Chemistry, Botany, Zoology and Computer science. The modules with their lucid content have been bringing out the latent skills in the students and also help them in their studies and develop their confident level. They are well equipped with all the required apparatus. These Laboratories enable the students to gain knowledge and practical skill.

Multimedia Methodology

We keep pace with the latest developments and recent advancement in knowledge. To avail various modern techniques of learning, we use smart classroom with interactive board, media theater and computers with internet facilities. We also enhance the phonetic skill of the kids in English language and create multi skilled personalities. Lessons are taught using multiple intelligence.

Library

Library is the place of inspiration and books are the source of knowledge. Our school library has a good set of reference books in all subjects to cater to the needs of staff and students. It is functioning in an effective way for the academic excellence.

Children's Park

We have a children's park consisting of Climber, Slide, Arch Swing and Merry-Go-Around. It makes their school going easy and enjoyable. It recreates, rejoices and refreshes children's mind.

Fun Centre

F-Fun Filled, U-Unique for creativity, N-Nourishment for brain Fun centre is the place where the students use to exercise their mind, execute their innovations and excel in their activities. Teachers create different games, puzzles, riddles, game cards, indoor games as to hear, see and do with fun and joy.

Music Class

Students are given special training to identify and tune their musical hidden aptitude and to widen their skill.

Physical Education

Our school encourages sportsmanship. Play grounds are available for

Outdoor

Basket ball, Kho-Kho, Ball Badminton, football, Volley ball, Tennikoit, Shuttle cock and 200 meters track.

Indoor

Table Tennis, Chess, Carrom and Chinese Checker. Trophies and Shields are awarded for excellence in the sports field.

Usilampatti Branch

As a milestone in the history of Keren, two branch schools in Usilampatti (Karayanpatti) are started during the academic year 2016-17, to cater the needs of students in and around Usilampatti, Matriculation curriculum is followed in one school and CBSE Curriculum in another school. Quality education & infrastructure with all facilities are made available for students.

Transport

We provide good transport facilities. Our school buses run from the following places to the school and back. [East-Kalavasal (Madurai), West-Usilampatti, North-Sholavandan, South-Thirumangalam.

Scouts and Guides

A social service team is actively involved in our school through Scouts and Guides. Students chip in poles apart to camps and training programmes.
