## Motto

## Shine as Stars

KEREN is in the process of shaping children in Madurai District through quality education for past 35 years. The school has a congenial environment to learning and is located on the Madurai - Theni Main Road, just 4 km away from Madurai Kamarajar University and functions with all needed infrastructure.

## Vision

We are connected and committed to achieve holistic development in each student by providing them quality education, liberating them from all ignorance, instilling in them excellence in character and thereby transforming them into fruitful citizens before men and God.

## Laboratories

Our school has spacious laboratory for Science, and Maths. The modules with their lucid content have been bringing out the latent skills in the students and also help them in their studies and develop their confident level. They are well equipped with all the required apparatus. These laboratories enable the students to gain knowledge and practical skill.

## Multimedia Methodology

We keep pace with the latest developments and recent advancement in knowledge. To avail various modern techniques of learning, we use smart classroom with interactive board, media theatre and computers with internet facilities. Students are given opportunity to learn Artificial intelligence, coding and other computer applications.

## Library

Library is the place of inspiration and books are the sources of knowledge. Our school library has a good set of reference books in all subjects to cater the needs of staff and students. It is functioning in an effective way for the academic excellence.

## Fun Centre

F – Fun filled

U – Unique for creativity

N – Nourishment for brain

Fun Centre is the place where KG, lower primary students exercise their mind, execute their innovations and excel in their activities in a fulfilled way. Teachers create different games, puzzles, riddles, game cards, indoor games as to hear, see and do with fun and joy.

## Electives

Introduction of Electives in our school brings vibrant changes in the minds and hearts of our students. The students are given an opportunity to select their own area of interest and become talented in the zones viz., Karate, Chess, Music, Skating, Bands, Dance, Abacus and Painting. Good coaching is provided to excel in the particular field enriching hope for their future.

## Physical Education

Our school encourages sportsmanship. Play grounds are available for,

Outdoor: Kho-Kho, Badminton, Football, Volleyball, Tennikoit, Shuttlecock and 200 meters track.

Indoor: Chess, Carrom and Chinese Checker. Trophies and shields are awarded for excellence in the sports field.

## Education for life (EFL)

Students are prepared to live a fruit ful life, motivated to gain knowledge, develop skills and to grow in good behaviour. Skill based Language teaching and Activity centred core subject teaching is followed.

## Transport

We provide good transport facilities. Our school buses run from the following places to the school and back.

East - Kalavasal, Fatima College (Madurai)

West - Usilampatti

North - Sholavandan

South - Tirumangalam
